

# BACHELORETTE PARTY

## PHOTO HUNT

- Get a random dude to take a picture with you and post it to his **Instagram** with the absurd hashtag of your choosing.

---

- Convince a random guy to **serenade** you, on video, with a cheesy love song. Think: Bruno Mars, "Marry You."

---

- Pose with a guy** you've never met, prom-photo style. Bonus points if there are flowers involved.

---

- Take a pic of a **shot that's on fire**. (Then take it, duh.)

---

- Snap a photo with the **DJ** or at least someone who has a DJ app on their phone.

---

- Two words: **condom** balloon.

---

- Convince a cute guy to show you a not-publicly-visible **tattoo**.

---

- Get someone the bride doesn't know to write her **sex advice** on a napkin.

---

- Find someone with the same **first name** as the groom. Collect evidence (i.e., a business card).

---

- Good wedding karma: Track down another **bride-to-be** and buy her a drink.

---

- Successfully **photo-bomb** someone else's pic, bachelorette style. Bachelorette style = penis props, obvi.

---

- Find a dude who knows at least six seconds of a **Britney Spears** song. Add it to your Instagram story.
