BACHELORETTE PARTY PHOTO HUNT

O	Get a random dude to take a picture with you and post it to his Instagram with the absurd hashtag of your choosing.
0	Convince a random guy to serenade you, on video, with a cheesy love song. Think: Bruno Mars, "Marry You."
0	Pose with a guy you've never met, promphoto style. Bonus points if there are flowers involved.
0	Take a pic of a shot that's on fire. (Then take it, duh.)
0	Snap a photo with the DJ or at least someone who has a DJ app on their phone.
0	Two words: condom balloon.
0	Convince a cute guy to show you a not-publicly-visible tattoo.
0	Get someone the bride doesn't know to write her sex advice on a napkin.
0	Find someone with the same first name as the groom. Collect evidence (i.e., a business card).
0	Good wedding karma: Track down another bride-to-be and buy her a drink.
0	Successfully photo-bomb someone else's pic, bachelorette style. Bachelorette style = penis props, obvi.
0	Find a dude who knows at least six seconds of a Britney Spears song. Add it to your Instagram story.
